Implementing the Ochre Resources Workshop

Workshop Details

The Experience

A full-day workshop that provides an overview of a range of resources available through Ochre Education coupled with effective intellectual preparation practices and high-impact instructional strategies to deliver high-quality instruction.

Who This Workshop Is For?

- » Teachers or generalist teachers who use Ochre resources
- » Lead teachers, Head of Learning Area/Department Heads
- » School leaders, including principals, associate principals and deputies.

Topics covered

- Navigating the Ochre Education resources
- Unpacking the pedagogical approach behind the resources to support the flexible implementation required to accelerate learning.
- Preparing to teach using the Ochre Education resources.
- Full Participation Tactics, Checking for Understanding

Included:

- Videos from real classrooms
- Readings and/or videos to help prepare for the workshop
- Modelling of key concepts
- Demonstration of resources
- Planning and implementation time.

“Presenter was really engaging and offered valuable insights into rehearsing throughout explicit teaching. Was also reaffirming to know that I don’t need to rush through the Ochre resources.”

-Teacher participant

Cost

The cost for a school-based workshop day is \$6,050 (including GST).

Additional travel costs may apply depending on preferred dates and location.
