A 9-month online course supporting teachers with early childhood classes and school leaders to build more high-impact instruction into their classrooms. The Early Childhood Masterclass Series works from a robust research and evidence base with concrete techniques educators can use immediately.

2025

The Masterclass Series in High-Impact Instruction creates life-long learning opportunities for teachers and school leaders, that translate research into action, improving outcomes for all students.

In 2025, teachers and school leaders across Australia can access an entirely online version of the Masterclass Series.

Are you looking to accelerate learning for your students?

- » Are you a teacher looking to build upon existing effective practices with adjustments and refinements to your instruction?
- » Are you a leader seeking to align best practice across your school and see high-quality instruction in every classroom?

Teach Well's Masterclass Series in High-Impact Instruction has achieved this for thousands of educators across Australia.

“ *The Masterclass Series is certainly the best Professional Development I have been a part of. Not only is the content and resources fantastic and relevant I was also able to put it into practice straight away and receive timely feedback.*

Zoe Smith, Early Childhood Teacher,
Baldivis Primary School

“ *It is wonderful to attend Professional Learning where you can immediately see such a huge difference in teaching and learning when you return and begin to trial new ideas and procedures in the classroom.*

Kelly Paul, Literacy Leader,
North Perth Primary School

Application Process

Course Information

Who can apply

- » Teachers with students in Foundation/ Kindergarten/ Reception/ Prep/ Pre-Primary - Year 2.
- » Lead teachers, including Heads of Learning Area/ Department, Faculty and instructional leaders with classroom teaching responsibilities.
- » Administrative leaders, including Principals, Associate Principals and Deputies.

Schools in the Perth metro area, or otherwise local to our Western Australia-based workshops, are kindly requested to consult our WA Masterclass Series brochure for course options.

Two streams are offered in each cohort:

1. Teaching Stream, where teachers complete video self-reflection coaching cycles and other teaching related tasks. We recommend the Teaching Stream for any educator with a teaching load.
2. Administrative Leader Stream, where leaders complete tasks focused on leading high-impact instruction in their schools including online sharing calls with other leaders.

How to apply

- » Discuss the opportunity with staff, including the requirement to take video and decide which teachers you would like to nominate.
- » Ensure:
 - Participant availability for all five professional learning days.
 - You can nominate a school leader to support your participants through the course, including taking and sharing video of their classroom with Teach Well.
 - A senior administrative member can attend Practical Session 1 (at no additional cost).
- » Submit your application at teach-well.au/apply.

Course Cost

- » The course price is \$2,500 + GST per successful applicant.
- » Schools to pay for all additional costs including relief.
